Chapter 1 by R

Wow I was surprised at the sheer number of confessions on the last story, so let's try again:

The rules are the same, and pretty obvious. Confess something. It doesn't have to be story wars related. You'll only be revealed if people vote for you blah blah blah blah blah.

My confession:

I have no idea what I want to do with the rest of my life, and the rest of my life is swiftly approaching.

I have thought on numerous occasions about stabbing myself or breaking a bone just so that I can take some time away from my life and school.

I can not handle stress and it is slowly destroying me. Last week I literally collapsed in tears over spilled milk.

Other than that, I think I'm handling everything pretty well.

Chapter 2 by Joakim

I didn't know what I wanted to do with my life. I messed up everything before that.

to find yourself. I

My confession:

I have tried to get someone to help me with marketing or fundraising since those aren't my strengths but I have trust issues. If I only see dollar signs in someone's eyes I back away because I want to work with someone who is driven by passion and not money. I hate money. It corrupts...

I have trust issues though. I want to believe the best in anyone but I demand a lot and most people have let me down.

Chapter 3 by Cat4055

My confession: I see tourists as walking wallets. When I say that, I literally mean, see them as walking wallets. Once, on a school project, we were supposed to create a fake business and I messed up and said "You see, the walking wallets, I mean tourists, are going to keep this business running as long as they still come here."

Chapter 4 by Black_White

Confession: Life is blah. But everyone can get through it.

Chapter 5 by -

Thanks Black_White!

Confession: I love it when a chapter of mine gets voted in... I don't like how new stories are so hard to find on here though... I wish there were ways to organize the stories by date...

Chapter 6 by -

Confession: I get sick of "shallow" writers... I like a story to have a purpose, a deep meaning or plot. But I understand not everyone writes the same. That is what makes this such an awesome site - the diversity.

Confession: I'm back again! haha I love doing these confession things. My confession is that I love writing poems but they aren't that great, that doesn't stop me from writing them though :)

Chapter 8 by The Art of Suffering

Confession: I tried to kill myself four times and no one knows. I used to self-harm all the time and I still have the urge to everyday.
